

FRIENDS OF THE ADELAIDA SCHOOLHOUSE

Dear Adelaida Neighbor-

As we celebrate the 100th anniversary of the Adelaida Schoolhouse, we also celebrate the progress that we have made in preserving, improving and protecting the heritage of the building. **As the only remaining historic building in Adelaida, we are proud that the schoolhouse is listed in the National Register of Historic Places!**

The Adelaida Historical Foundation was formed in 2003 to restore the building and fund-raising began. Huge strides have been made in the past few years as you can see from the above “before” photo and the most recent photo below. But progress comes at a cost. Our small group of volunteers have put in many hours. Not only working on the property, but also in working on raising funds to keep moving forward with projects and for continuing maintenance on the building.

As an Adelaida neighbor, we are asking for your help. Become involved by joining us as a “**Friend of the Adelaide Schoolhouse.**” Details are attached!
